## BIO:

You can find Julie either djing or teaching fitness classes in New York City. Julie graduated college with a fashion design degree. While in college she started teaching fitness classes and mixing her own music for her classes. Music is been an essential element in her design and creating processes. Julie graduated Scratch Academy in 2018. She continues to take classes to expand her djing and music productions skills. Now she is combining her passion for fashion, fitness, music to the dance and fitness floors. Music genres include: EDM, Dance, Pop, R&B, Motown, Classic oldies and House. She will be keeping the energy high and people enjoying the moment.
